### Swept Away

Does the new Fall semester already have you tired and weary? Are you looking to be rested, filled up and refreshed? During IGNITE this fall, the youth will spend their time together in worship and prayer. Bring your Bible and notebooks and come with expectant hearts to hear from the Lord. We trust you will come away feeling encouraged and with a fresh vigor for Him. He responds to our desire for Him. Come seeking Him and surely you will find Him.

## Building Your Family Culture

Led By: Nate & Helen Atwood Percy & Sara Jo Burns, Dan & Lesley Cheevers

Location: Fellowship Hall: Small Classroom

Percy and Sara Jo Burns, Dan and Lesley Cheevers, and Nate and Helen Atwood will be team teaching a repeat of the recent Sunday morning class on Building Your Family Culture. We all get it. The culture has become toxic to our families on so many fronts – media, sexuality, life lived in the mini-van, over-commitment, etc, etc. How do you build a family these days? What are some essential tools that we can bring to the table that actually work? Dan will focus on media, Helen and Sara Jo on the lost art of homemaking, Percy on bringing our faith into our family lives, Lesley on engendering a heart of worship in our kids, and Nate on a realistic assessment of teens, romance, and how we help them navigate towards relationships with bring pleasure to God and wholeness to their lives. If your schedule didn't allow you to be in the Sunday School class this is your chance to get the same great teaching but on a Wednesday night.

## Mark 2.0

Led By: Pastor Nate Atwood

Location: Fellowship Hall: Large Room

Have you ever read the Bible and wondered what it was that you just read? Said differently, why is it that some people seem to be able to read the Bible and get a ton out of it and others are largely frustrated by the process? During Ignite Nate will take Wednesday evenings and build on his Sunday morning sermon on the gospel of Mark, but he'll do so showing you how he does Bible Study so as to equip you to do the same. You'll get inside the fundamentals of reading and understanding Scripture so that it will become ever more so "Your Book". As always, Nate will be asking questions, using crazy illustrations, and engaging all of us as we connect more deeply with God Himself through His Word.

If getting more into Mark, or just figuring out how to get more into the Bible sounds good to you, then come join us!
